INDEPENDENT AUDITOR'S REPORT

To the members of
RUDRA COTTEX PRIVATE LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of Rudra Cottex Private Limited ('the Company'), which comprise the balance sheet as at 31 March 2024, the statement of profit and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Auditor's Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024 and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the audit of the financial statement section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of

India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Reporting of Key Audit Matters as per SA 701 is not applicable to the Company as it is an unlisted company.

Information other than Financial Statements and the Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation, and maintenance of adequate internal financial

controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The board of directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on Whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

• Materiality

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial

statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

- **Communication with Management**

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

- j) As the statutory auditor of Rudra Cottex Pvt. Ltd., we have conducted our audit of the financial statements for the year ended 31st March 2024 in accordance with the Standards on Auditing (SAs) as specified by the Institute of Chartered Accountants of India (ICAI). These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

We wish to bring to the attention of the stakeholders that Rudra Cottex Pvt. Ltd. has not maintained an audit trail of its books of accounts. An audit trail typically includes a comprehensive record of all financial transactions, including details of their origin, modification, and deletion within the accounting systems, as mandated under the Companies (Audit and Auditors) Rules, 2014.

The absence of such an audit trail significantly limits our ability to verify the accuracy and completeness of the financial records and transactions. This limitation may affect our ability to trace financial transactions back to their origin and assess any changes made to the accounting records during the reporting period.

Accordingly, our audit opinion is based on the available evidence and records

provided by the management at the time of the audit. We do not assume responsibility for any potential inaccuracies or misstatements that may arise due to the lack of an audit trail. Stakeholders, including shareholders, creditors, and regulators, should consider this limitation when reviewing the financial statements.

Our audit report should be read in conjunction with this disclaimer, and we strongly recommend that the company take necessary steps to comply with the applicable statutory requirements regarding the maintenance of an audit trail.

ANNEXURE "B"

TO THE INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS OF RUDRA COTTEX PRIVATE LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Rudra Cottex Private Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of

reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting,

assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:-

1. Pertaining to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with

authorizations of management and directors of the company; and

3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls

over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

General Description of the Plan

The Entity operates gratuity plan through a trust wherein every employee is entitled to the benefit equivalent to fifteen days salary last drawn for each completed year of service. The same is payable on termination of service or retirement, whichever is earlier. The benefit vests after five years of continuous service. In case of some employees, the Entity's scheme is more favourable as compared to the obligation under Payment of Gratuity Act, 1972.

Reasons for Variances

- Return on Equity Ratio: The increase in Return on Equity (ROE) compared to the previous year is attributed to a rise in profits that outpaced the growth in average shareholders' equity. This indicates that the company is generating greater earnings relative to the equity invested by shareholders.

- Trade Payable Turnover Ratio: The business is paying its bills on time and has a good relationship with its creditors and suppliers. This shows that the company is managing its payments well and keeping strong partnerships with suppliers.

- Net Profit Turnover Ratio: The increase in the net profit ratio is mainly due to higher revenue growth and better cost control during the year. The company managed to reduce operating expenses while improving overall efficiency, leading to higher profitability. Additionally, factors such as improved pricing strategies and increased demand for our products/services contributed to the rise in net profit.

-Return on Capital Employed: There was an increase in operating profit due to higher revenue and improved cost management.

2 SIGNIFICANT ACCOUNTING POLICIES

a Basis of Preparation

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, as applicable. The financial statements have been prepared under the historical cost convention on accrual basis, except for certain financial instruments which are measured at fair value.

b Use of Estimates

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expense during the year. Examples of such estimates include provisions for doubtful receivables, provision for income taxes, the useful lives of depreciable Property, Plant and Equipment and provision for impairment. Future results could differ due to changes in these estimates and the difference between the actual result and the estimates are recognised in the period in which the results are known / materialise

c Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, less accumulated depreciation / amortisation. Costs include all expenses incurred to bring the asset to its present location and condition.

d Depreciation and amortization

In respect of Property, Plant and Equipment (other than freehold land and capital work-in-progress) acquired during the year, depreciation/amortisation is charged on a straight line basis so as to write-off the cost of the assets over the useful lives.

Type of Assets	Useful Life
Buildings	30 Years
Plant and Equipment	15 Years
Furniture and Fixtures	10 Years
Vehicles	8 Years
Office equipment	5 Years
Computers	3 Years
Windmill	22 Years

e Impairment of assets

At each balance sheet date, the management reviews the carrying amounts of its assets included in each cash generating unit to determine whether there is any indication that those assets were impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment. Recoverable amount is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of the asset and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risks specific to the asset. Reversal of impairment loss is recognised as income in the statement of profit and loss.

f Investment

Long-term investments and current maturities of long-term investments are stated at cost, less provision for other than temporary diminution in value. Current investments, except for current maturities of long-term investments, comprising investments in mutual funds, government securities and bonds are stated at the lower of cost and fair value.

g Inventories

Raw materials are carried at the lower of cost and net realisable value. Cost is determined on a weighted average basis. Purchased goods-in-transit are carried at cost. Work-in-progress is carried at the lower of cost and net realisable value. Stores and spare parts are carried at lower of cost and net realisable value. Finished goods produced or purchased by the Company are carried at lower of cost and net realisable value. Cost includes direct material and labour cost and a proportion of manufacturing overheads.

h Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amount of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

i Revenue recognition

Revenue has been considered as per AS 9- "Revenue Recognition" issued by Institute of Chartered Accountants of India. Other operating income is also recognized as per AS 9. Revenue from sale of services is recognized net of returns, trade discounts, rebates, and GST.

j Foreign currency transactions

Income and expense in foreign currencies are converted at exchange rates prevailing on the date of the transaction. Foreign currency monetary assets and liabilities other than net investments in non-integral foreign operations are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses are recognised in the statement of profit and loss. Exchange difference arising on a monetary item that, in substance, forms part of an enterprise's net investments in a non-integral foreign operation are accumulated in a foreign currency translation reserve.

k Taxation

Current income tax expense comprises taxes on income from operations in India and in foreign jurisdictions. Income tax payable in India is determined in accordance with the provisions of the Income Tax Act, 1961. Tax expense relating to foreign operations is determined in accordance with tax laws applicable in countries where such operations are domiciled.

Deferred tax expense or benefit is recognised on timing differences being the difference between taxable income and accounting income that originate in one period and is likely to reverse in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction for relevant tax paying units and where the Company is able to and intends to settle the asset and liability on a net basis. The Company offsets deferred tax assets and deferred tax liabilities if it has a legally enforceable right and these relate to taxes on income levied by the same governing taxation laws.

l Provisions, Contingent liabilities and Contingent assets

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the financial statements. A contingent asset is neither recognised nor disclosed in the financial statements.
